12th May 2017

Dear Parents/Carers,

As you will know, all pupils in the school have been working hard on their Learning Challenge Curriculum topic 'When I am older...' this half term. As a way of bringing this topic to a close, the children in Key stage 2 will be participating in a 'World of Work' morning on Tuesday 23rd May.

As part of this day, children will be able to meet people from different sectors of the world of work, and hear about their experiences and career paths. The children will have an opportunity to prepare and ask any questions they might have.

To encourage the children to think about their own futures, we would also like to give the pupils the chance to come to school dressed for the job that they wish to have when they are older. During the morning they will have the opportunity to share their aspirations and hopes for the future.

If you have any questions, please speak to your child's class teacher.

Thank you,

Miss Alice Corlett
Asistant Head
