

Transition to Reception

As the Nursery children enter their final term we would like to prepare them for a smooth transition to Reception.

In addition to a whole school transition day on Wednesday 5th July the children will also take part in 6 informal fun transition afternoons over the half term starting Wednesday 7th June. The children will spend some time in the Reception classroom with the EYFS team. Please note that teacher groups have not yet been finalised and you will be informed of your child's new teacher in due course.

This is for your information only - please pick up your children from Nursery as usual on these afternoons.
