

Barlow Hall Primary School

School website: barlowhallprimary.co.uk

Barlow Hall has at last had all of the amazing school to school support work we do, which includes our Reading Recovery Teaching Sessions, recognised as we have now been recognized as a Teaching School in our own right, and a 'badge' holder of Manchester Teaching School Alliance. Alongside this, we are also a National support School and member of Greater Manchester Learning Partnership which is a fantastic achievement. Nursery Trip

The Nursery children had a fantastic time at the museum. They enjoyed travelling by bus to the museum, behaved excellently and had a fantastic time exploring the galleries by torchlight. They enjoyed having lunch at the museum and seeing Stan the T-Rex was a particular highlight of the visit.

Year 3 and 4 Tatton Park Trip

Years 3 and 4 had an amazing time at Tatton Park, despite the weather being slightly different to the rest of the week! We explored the grounds and really enjoyed playing in the adventure playground. Well done to all of Years 3 and 4 for their hard work this year - they thoroughly deserved their end of year trip!

Year 3/4 Chortlon Water Park Trips

In a very busy week for school, Year 3 and 4 had not only one trip to take part in but 2!. As part of their project on rivers and their science topic, plants, the children walked to the park, and around the lake as well having the opportunity to play in the new, nature friendly park. This week's amazing weather enhanced the already beautiful setting of our local nature area, and seeing the latest wildlife arrivals made the trip extra special.

Year 5 and 6 Blackpool Trip

The sun shone strongly down on Blackpool Pleasure Beach on Monday as Year 5 and 6 made their annual trip to Blackpool. The children (and staff!) enjoyed a wide range of rides; many were brave enough to experience the Pepsi-Max!, the only downside of a great day were the traffic jams and roadworks on the way home!

The Great Get Together

15 children from year 6 joined students from Chorlton high to celebrate the 'Great Get Together' picnic. We celebrated the life of Jo Cox, we also celebrated our similarities and the things we all have in common. The children made lots of new friends and enjoyed a fabulous picnic.

We also met the Lord Mayor of Greater Manchester Andy Burnham and had our photograph taken with him, some of the children appeared on Granada reports last Friday night. Look out for the pictures on our website.

New Shoes for September?

Thinking of buying new school footwear for September? Due to the success of daily mile, parents may want to consider buying **plain** black trainers for the new school year instead of traditional school shoes. This is part of the school uniform and children find them more comfortable and safe than shoes for running in.
