

Barlow Hall Primary School

School website: barlowhallprimary.co.uk

Congratulations to our year 6 children on their fantastic SATs Results. We have had some great recognition for the achievements of both pupils and staff throughout this year including praise from the Institute of Education's Janet Smith, a National Leader of Reading Recovery and I would like to share with you all a short extract from her letter.

'At the end of the spring term I visited Barlow Hall School in Manchester. I had heard a lot about this school so I thought perhaps I ought to check it out for myself. The school far exceeded my expectations. Barlow Hall truly is a place of learning at all levels. Teaching and learning are at the forefront of everyone's agendas and in a very sincere and refreshingly genuine way. The head and staff at this school are truly inspirational – it's the sort of school you would love to work in or send your children to. That is the highest praise I can give.' I would like to thank all of our parents and children for the part they too play in making Barlow Hall such a fantastic school. **Jayne Kennedy**

Y6 SATs

A huge well done to all our Y6 children who achieved some fantastic, well deserved SATs results when they were published this week. Despite the increased level of difficulty and pass mark expectations our children have once

again shown great determination and resilience throughout the year and should be extremely proud of their achievements. Well done also to our Year 2 children for their KS1 SATs results and for the Y1 Phonics test results.

EYFS had a messy stay and play day this week. It was very well attended by our parents and both the children and their parents enjoyed a number of messy and sensory activities that included: mud kitchen, potion making, cutting flowers and lemons, lavender play dough, shaving foam writing, gloop, slime and walking through a variety of textures including beans, mushy peas, pasta and rice krispies. Thank you to all those parents who were able to join us for Messy Stay and Play

EYFS and KS1 enjoyed a lovely sports day in the sunshine on Thursday. They took part in a range of sporting events and activities with all the children demonstrating great teamwork and fair play skills. The children not only enjoyed the activities but showed that their daily mile training has helped improve everyone's fitness level. Thank you to all those parents who attended the event.

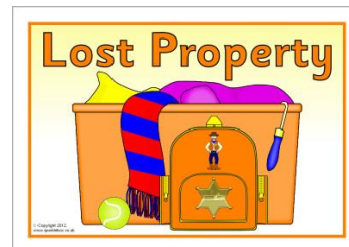

We look forward to the KS2 Sports Day which will take place next Wednesday 12th July at 9:15 am.

The KS2 Sport's Day will take place from 9:15 am on Wednesday 13th July. We look forward to seeing parents there
