

Thank you to all our parents and families who are supporting our end of term events at this very busy time of year, including our Transition Day which took place on Wednesday and saw children working with their new class teachers in their new classrooms.

Don't forget to come and join us for our Environmental summit, 1:30 pm on Wednesday. The children have done some fantastic work which will be on display and local councilors will be in attendance. **Jayne Kennedy**

Week commencing 8th July

On Wednesday 10th July at 1.30pm, Key stage 2 will be holding an Environmental Summit in the Key Stage 2 playground to celebrate and share their work from this term on Making a Difference. All classes have looked at ways in which our world is changing, and how we can make a difference.

The children feel incredibly passionate about this topic and are looking forward to having the chance to tell as many people as possible about what they have learned and why it is important. We will be joined by all 3 of our local ward councilors and all families and friends are welcome to join us for the afternoon and find out why this topic matters so much to us all. Opening speeches begin promptly at 1.30 p.m.
