

Welcome back to school to all our families during what has been a very busy week. Well done to our Nursery children for their fantastic behavior on their trips to the Manchester Museum and to Y5 and 6 for their brilliant Rights Respecting Presentation to parents this week. Jayne Kennedy

Focus on LKS2

LKS2 thoroughly enjoyed celebrating Sport Relief, especially our Zumba session that was led by Mrs Roberts. Even though we were exhausted by the end of the session it was great fun!

On art day we produced a piece of Art work linked the book A is for Africa by Ifeoma Onyefulu.

We used A is for Africa in our Literacy lessons to learn about the similarities and differences about our lives and the lives of children in Africa. We learnt that some children in Africa travel to school in a

canoe. We used this as inspiration for the piece of art work we created on Art Day. To begin with, we made our own printing stamps, we then used ink to print with our stamps for the river in our pictures. Finally we used different mediums to create the sky, sun and a boat to complete our

masterpieces. Take a look at the finished product!

On Monday 25th June LKS2 will be going to Wythenshawe Park for our

end of year trip. Each class will have the opportunity to use the bikes at 'Simply Cycling', visit the farm and the glass house, have time on the play area and use our own games equipment, bought from the Year 3 and 4's enterprise money that they earned last year!

Nursery Museum Trips

The Nursery class made their annual trip to the Manchester Museum this week. Starting their journey with a walk to Princess Road followed by a bus ride to the Museum which is on Oxford Road in Manchester, the children then went on to visit some of the exhibits, including Maharajah, the Belle Vue Zoo elephant who walked from Edinburgh Zoo to Manchester in 1871, and a life-size model of Stan, the Tyrannosaurus Rex, they also played at being explorers and had a picnic and really enjoyed their visits.

Driving and parking on school grounds

Please be advised that the parking area in front of school is to be used by staff only. Parents/visitors should only come onto the grounds if there are spaces available on the gravel parking area down the side of the school field, unless they have been issued with a blue badge in which case they can use the disabled parking bay. Please do not use the area in front of school for turning or parking as we wish to ensure the safety of all of our children.
