

Thank you to all those parents who came into school yesterday to join us for Maths Day. We hope you enjoyed the event as much as the children did and weren't to worried about being asked too many hard questions! Well done for all the money we have raised for Comic Relief with the sale of Red Noses and Red Day. We will publish the final total on the website and next week's Newsletter. Thank you to all those parents who support their children's attendance and punctuality in school—Sharon Drinkwater, our Attendance support Worker has pulled together a few interesting facts about the impact of poor punctuality and attendance on children's futures. Please see below to find out more!

Celebration Assembly takes place from 9:10 am on Mondays. Parents are welcome to attend. Texts will be sent to parents whose children are to receive an award.

3-4 Games Club Miss Maher
Football (TSC) –Cost £2 R-Y6
Thurs:

Healthy Snacks

Please could we remind parents that children should only have healthy snacks such as fruit at break-time, not crisps or chocolate bars.

Attendance Facts and figures

Every school day counts towards your child's future. Days off school add up to lost learning. In total, there are 175 non-school days a year. This gives families the opportunity to:

- Spend time together
- Go on family visits
- Go on holiday
- Go shopping
- Go on days out
- Attend routine appointments

Holidays In term time

Many parents and carers think it's okay to go on holiday during term time, but this has a negative affect on their children's learning and ability to achieve. If your child goes on holiday during term time, they are absent.

- 10 days absence means 94% attendance
- 19 days absence means 90% attendance
- 29 days absence means 85% attendance
- 38 days absence means 80% attendance
- 47 days absence means 75% attendance

Children with over 95% attendance at school are more likely to gain five or more A to C GCSEs or equivalent qualifications. Children with less than 90% attendance at school are unlikely to gain five A to C GCSEs or any qualifications.

Poor punctuality

Being frequently late for school adds up to lost learning:

- Arriving 5 minutes late every day adds up to over 3 days lost each year
- Arriving 15 minutes late every day is the same as being absent for 2 weeks a year
- Arriving 30 minutes late every day is the same as being absent for 19 days a year

19 days lost a year through being late means 90% attendance.

If your child attends school, they are more likely to get on in life.

If your child regularly misses school, they are more likely to become involved in anti-social behaviour.

Your child's education is your child's future. Don't let them waste it.
