

Well done to Mrs Matthews class who did a great assembly linked to their topic, 'How can we rediscover the wonders of Ancient Egypt?' We have had some very creative homework from their topic. Please check out our website for information on our e-safety week 9th—13th Feb. I am also arranging a morning meeting for parents to set up a 'learning support group' as some parents have indicated that they would like to be more involved in supporting learning in school. Look out for details soon

Celebration Assembly takes place from 9:10 am on Mondays. Parents are welcome to

Nursery Cake Sale for Hearing Dogs

£200 was raised by the Nursery Class at last weeks cake sale for Hearing Dogs for the Deaf. Thank you to all who sent cakes in to school to sell and to those who gave their children money to buy cakes. Nursery class children loved the visit by the Karen and her 'Hearing Dog', Shane, yesterday which finished their Equality Week activities.

Late Children

We are experiencing a rise in the number of children arriving to school late. Please remember learning starts at 9 am and so children need to be in their lines in the playground at 8:55 for teachers to take them into class. Being late not only affects the child's learning but also disturbs the rest of the class so please ensure your child is in school on time.

Support for Manchester Families

The SEND Local Offer provides information for parents on services and organisations which can offer support to Manchester families. There are details of clubs, groups and activities especially for children and young people with disabilities and special educational needs (SEN). Google 'Manchester local offer' for more information from the Family Service Directory

Numbers Count

In September Miss Ford started a new role in school as a 'Numbers Count' Teacher working 1-1 with children who need a bit of extra help with their Maths skills. Mrs Leah and Miss Maher are also being trained in a new programme called 1st Class @ Number to help small groups of children. Miss Ford is really enjoying her new role and the children taking part in the intervention are showing some great results from their hard work.

World Book Day

Just a bit of advanced warning, it is World Book Day on March 5th, we will be dressing up as book characters.

E-Safety

We would like to remind you that there is a free Parents' Workshop all about E-Safety on Monday 9th February from 4.30-5-00. Please complete the booking form and return to the office if you would like to attend
