

Barlow Hall Primary School Newsletter

School website: www.barlowhallblogs.net

**Week Ending
5th december
2014**

Congratulations to Miss Roche on the welcome arrival of baby Daisy, well done and good luck to her from all at Barlow Hall. We look forward to our Christmas Performances next week and the week after as well. The children have been rehearsing very hard and are really looking forward to showing you the results of their hard work. **Watch this space...** Work is progressing rapidly on the new Barlow Hall Primary School's website which will be launched in the New Year. We are all very excited at the new look site and will give you more information on the new site before it goes live on the 5th January — we can't wait!

Jayne Kennedy.

Mad Science Assembly

On Tuesday all the children took part in a 'Mad Science' assembly. This was designed to 'hook' the children into science by demonstrating chemical 'explosions', foil 'flying' due to friction as well as using the children as conductors! It was to advertise science classes that have been now offered to school at a fee within which the children will get to experience these, 'mad science' activities along with the learning. Flyers have gone out so please contact the office if you are interested in the after school club.

MOSI trip

On Wednesday KSI embarked on an exciting trip to the Museum of Science and Industry as part of this terms WOW topic on 'How to build a car' The children visited the air and space exhibition, the 'Experiment' exhibition and watched the 'Engineer Eric Show'. The children had a great time and were as always extremely well behaved.

Performance reminders

Christmas performances start next week with the Y1/2 performance at 9:15 am on Tuesday 9th December and is followed by performances by each of the other year groups one over the next week. Please see the 'Dates for your Diary' section to check your child's performance date and time. We hope you will come along to join us for the performance and stay behind to enjoy a mice pie and refreshments.

Bug Club

School has purchased an exciting new resource called 'Bug Club' which is a fun and interactive reading activity resource available for use by the children both in school and at home - more information to follow.

Cold weather

Please make sure that all children come to school wearing a warm coat and have a school jumper or cardigan on to ensure they stay warm in school. Appropriate footwear should be worn and please remember to put your child's name in all uniform including hats, scarves and gloves
