

Well done to all the children who have represented our school this week, whether going out of school or taking part in assemblies.

We will be having our next reading focused parents Group on Tuesday 30th June at 1:30 pm. Please come along and help us support our children's reading even more.

A group of our parents have started to play rounders in Chorlton Park on Monday evenings from 7 pm. All parents/ carers are welcome to go along to join in, have a laugh, get fit and have fun. Jayne Kennedy

Celebration Assembly takes place from 9:10 am on Mondays. Parents are welcome to attend. Texts will be sent to parents whose children are to receive an award.

New running club

Following the brilliant response to our request for runners to take part in Chorlton Park's Cross Country Running event we will be starting our own running club here at Barlow Hall. The club will run every Tuesday from 3:15pm—4:15 pm .

Traffic and Parking

We have been asked to inform police of the registration numbers of any cars that park or drive dangerously around school both before school and at home-time and we have agreed to do this in an effort to ensure that child safety is maintained.

Network Choir

This week the Network Choir had the opportunity to record a song which will be broadcast on BBC Radio 2. This was a very exciting opportunity for the choir and they had a great time! See website for more details. barlowhallprimary.co.uk
The last couple of weeks as always, have been exciting and eventful at Barlow Hall !

Y5/6 Blackpool Trip

The Year 5 & 6 children and staff had a fantastic time at Blackpool Pleasure Beach this week. Everyone had a great day, the children's behavior was excellent and members of the public commented on their great behavior! The children certainly earned this fun day out after all their hard work this

Nursery Museum Visits

At the end of last week the Nursery children went to the University campus to visit the Manchester Museum. We explored the living worlds gallery by torchlight, read a tiger story with a Siberian tiger and a dinosaur story in the fossils gallery with Stan the T-Rex. The Museum staff wanted to know the name of our school, as they couldn't believe that 3 & 4 year olds could be so sensible!

Reading Competition for children and staff

The Nursery children have read a dinosaur story with a dinosaur! Can you top that ?!

The way to become really ace at reading is to read and to do it often! We want you to read in an interesting (or funny) place and get someone in your family to take a photograph to prove it! You could read a fairy tale in a forest, a comic in a castle, a magazine up a mountain or a book on a bus! The competition starts now and will continue over the summer .

All photographs need to be printed out as hard copies (not digital) as they will be used for a school display. Remember that most museums, galleries and parks are free to visit so you don't have to go far to take an unusual photograph! Just remember to stay safe and bring your printed picture in-
