

Thanks for the positive feedback about our website, if you haven't already looked at the curriculum section, have a look to see the expectations for each year group in each subject. As part of our Equality focus next week Nursery, Reception, Y1 and Y2 will be focussing on disability, year 3/4 will focus on age and Y5/6 are looking at gender discrimination. Please can we remind anyone bringing a vehicle into the school grounds not to park on the disabled space, marked in yellow, unless they or a passenger with them are disabled. Jayne Kennedy

**Celebration Assembly takes place from 9:10 am on Mondays. Parents are welcome to attend. Texts will be sent to parents whose children are to receive an award.**

**This week at Barlow Hall**  
Year 3/4 had a fantastic start to their Egyptian topic with their WOW day and lots of children dressed up and looked amazing! They are also looking forward to their 'Wired and Wonderful' art day next Wednesday.  
\*\*\*\*

Year 5/6 held their own Olympics to kick off their new ancient Greeks topic.

Reception have started the Spring term with their new 'Frozen' topic and have been learning in maths all about repeating patterns by cutting out snowflakes. In literacy they've learnt to use narrative therapy cards to ask who, where, when and what is happening in scenes from the 'Frozen' film. They have even had their very own ice palace so they can roleplay being Princess Elsa and Anna, plus they've also been learning to make their own CVC words with Olaf the paper cup snowman!
