

INTRODUCING OUR STAFF

Jayne Kennedy
Head Teacher

Congratulations and a big well done to our Maths Challenge Team who took part in an across the keystages Maths challenge at Oswald Road Primary School this week against Oswald Road and St John's RC Primary School.

Our winning team will now go forward to the finals of the Maths Challenge during the week commencing 7th December and we are currently waiting to see which other schools we will meet in the final since the heats are still being played in other areas.

French Day was a great success with all Key Stages enjoying learning about French Artists and Composers as well as eating at Year 6's very busy French Cafe. Thank you so much for all the support from Parents and Carers who came into school see the children's amazing work.

French Day at Barlow Hall

This year we decided to combine two of our favourite events into one day here at Barlow Hall by holding our French Day where children got to learn a whole host of things ranging from French artists and composers to the history and geography of France alongside our annual Children in Need fundraising appeal.

Children came into school dressed not in spots but in red, white and blue and paid a donation towards the Appeal.

French Day would not be complete without the opportunity to eat and this year was no exception as Year 6 opened the doors to their French Café and all the other classes got a chance to sample a varied menu and practice their French. The children thoroughly enjoyed their fun-packed day.

Museum's early opening for children with autism

The Manchester Museum, based at Manchester University on Oxford Road, will open early on Sat 14th Nov to enable children with Autism to look around, do crafts & activities in the Fossil Gallery, where Stan the T-Rex lives!

Appropriate outdoor clothing

Please could parents ensure that their children have a coat in school with them every day now that the weather has turned colder and wetter. Hat, scarves and gloves are also advisable – all named please!

PE Kits

Please ensure your child has a full, named PE kit in school at all times.
